

Hard Shell

OPERATOR VEST

Overview

The Operator is our standard tactical vest. Using BALCS cut soft armour panels as our baseline for designing the vest, the Operator allows for maximum protective coverage areas while maintaining mobility for the user. Our Operator vests come complete with MOLLE as standard and are available in a range of fabrics and colours.

Features

- Additional removable Kevlar® protection around the shoulders and biceps, throat and groin areas. Ideal for Internal Security use or high threat areas.
- Custom cut NIJ 0101.06 Level IIIA DuPont Kevlar® soft armour
- Allowance for 10" by 12" Hard Armour Panels of Level III, Level III+ & Level IV. (fitted in HAP Pockets)
- Allowance for Kevlar® material (Soft armour panel) inserts to be used in conjunction with (ICW) hard armour panel
- MOLLE / PALS Load attachments
- Comfort Padding Front / Back and Shoulders
- Adjustable Shoulders for improved comfort
- Air Mesh for improved airflow around the body of the wearer
- External and Internal Cummerbunds (adjustable) to secure the vest to the wearer
- Sturdy drag strap on Rear of Vest
