

Hard Shell

Low Pro Concealed

Overview

The Low Pro Carrier is designed to provide officer comfort with a state of the art long wearing ergonomic design.

Features

- Low Profile Design Reduces “Armor Signature” Under the Shirt
- Durable Rip-Stop Poly-Cotton Strife Face Outer Fabric
- Vented Mesh Body Side Fabric
- 8 Way Adjustable Straps Allow For Greater Comfort and Individualized Adjustments
- Internal Trauma Plate Pocket Accepts Soft or Hard Trauma Plates
- Suspended Panels Prevents Armor Bunching and Creasing Thus Increasing Comfort and Protection.

Options

- Level II NIJ .06 Certified Ballistic Panels
- Level IIIA .06 NIJ Certified Ballistic Panels
